

# Children's Bible Classes

## **Nursery Department** (Birth-2 yrs)

Babies and toddlers alike will make a connection to God and all the things around them through our interactive "God Made" curriculum.

## **Preschool Department** (3 yrs-Kindergarten)

During the preschool years, the classes take our children through the entire Bible in an age appropriate manner. Bible heroes and stories come to life, illustrating vital values each child needs in our "First Look" curriculum.

## **THE BRIDGE**

### **Primary Department** (1st-2nd Grades)

The early elementary children study through the entire Bible. Each child is able to spend some time learning and growing at their own pace while also participating in group learning activities.

### **Junior Department** (3rd-5th Grades)

Grade children are taught timeless moral truths and life lessons through the captivating, Bible based adventure series, Super Book. Through this study of God's Word and the history of ancient places and events, students gain a sense of wonder, anticipation, and empowerment to be a child of God.
